

Eastern Long Island Mini  
**Maker Faire®**

# Future Makers Expo

June 10th, 2017  
Port Jefferson, NY

Register today to showcase your science fair or other original project during our Future Makers Expo section of the Eastern Long Island Mini Maker Faire

Participating students will have the opportunity to share their work with scientists from Brookhaven National Lab, Stony Brook University and Cold Spring Harbor Labs in a non-competitive celebration of science and ingenuity.

Open to any student PreK-6th grade. All preregistered Future Makers will receive 2 free tickets to the Eastern Long Island Mini Maker Faire.

To register visit: [easternlongisland.makerfaire.com](http://easternlongisland.makerfaire.com)  
click on the "Calling All Makers" tab
