

What is the Maker Faire Long Island®

Our Faire is part of the larger Maker Faire brand associated with the Faires in New York City, The Bay Area, Berlin, Barcelona, and other cities throughout the world that celebrate creativity and innovation in the areas of Science, Technology, Engineering, Art, and Math.

Explorium long island
Children's Museum of Science & Engineering

Who attends?

More than 100 Makers and 2000 visitors of all ages annually experience innovative exhibits ranging from robotics, virtual reality to kinetic and interactive art, high-energy performances, and hands-on exhibits at the Long Island Explorium, Village Center, and Harborfront Park.

Port Jefferson's Long Island Explorium is thrilled to present our 6th annual maker celebration. **The Maker Faire Long Island®**, on Saturday, **June 3rd, 2023.**

Why Support the Maker Faire Long Island? You CAN make a difference while building your brand.

1. Help provide cutting edge, inquiry based learning experiences for P-12 students, state-of-the-art professional development for P-12 teachers, and inventive STEAM challenges for family groups.
2. Position yourself as a leading advocate for the advancement of STEAM concepts that translate into skills that address social, economic, and environmental issues.
3. Advance the Maker Movement, which is revolutionizing manufacturing, with huge implications for startups and jobs, and hence helping to fuel economic development.
