

What is the Maker Faire Long Island®

Our Faire is part of the larger Maker Faire brand associated with the Faires in New York City, The Bay Area, Berlin, Barcelona, and other cities throughout the world that celebrate creativity and innovation in the areas of Science, Technology, Engineering, Art, and Math.

Who attends?

More than 100 Makers and 2000 visitors of all ages annually experience innovative exhibits ranging from robotics, virtual reality to kinetic and interactive art, high-energy performances, and hands-on exhibits at the Long Island Explorium, Village Center, and Harborfront Park.

Port Jefferson's Long Island Explorium is thrilled to present our 7th annual maker celebration. **Maker Faire Long Island®**, on Saturday, **June 8th, 2024.**

Why YOU should SUPPORT Maker Faire Long Island!

A strong brand is the cornerstone of a company's success, serving as the beacon that guides customer loyalty, fosters trust, and drives sustainable growth. Align your company with an event that fosters creativity and innovation and solidify your commitment to fostering positive change through technology, arts, and education.

- Increase your visibility
- Build your reputation
- Develop community relationships
- Highlight your contributions to the innovation ecosystem
- Show your support for STEM education
- Play a vital role in driving economic growth and vitality on Long Island.
